

**REMARKS/ARGUMENTS**

**1. Amendments to the claims and the specification**

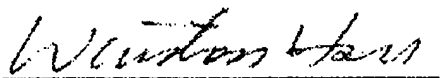

5 A telephone message was received from the Examiner saying that the term "C-shaped lamp" recited in claims should be deleted, and that the limitation "opening of the U-shaped lamp" is not recited in the specification. In response, the applicant has deleted the term "C-shaped lamp" from claims, and added recitation of the limitation "opening of the U-shaped lamp", which is clearly shown in Fig.4 for instance, to the specification.
